

Chapter 19.70 AOZ AIRPORT OVERLAY ZONE

19.70.190 Airport restriction zones--Established.

Airport restriction zones are established as follows:

- A. Airport Restriction Zone A is that area shown on the airport zoning map exposed to the most severe levels of aircraft noise.
- B. Airport Restriction Zone B is that area shown on the airport zoning map exposed to severe levels of aircraft noise.
- C. Airport Restriction Zone C is that area shown on the airport zoning map exposed to moderate levels of aircraft noise.
- D. Airport Restriction Zone D is that area shown on the airport zoning map exposed to noise from aircraft operating on a primary flight track.
- E. Airport Restriction Zone E is that area shown on the airport zoning map exposed to noise from aircraft operating on a heavily used aircraft traffic pattern. (§ 1 (part) of Ord. passed 8/22/84: prior code § 22-30A-18)
